STEPS TO CHOOSING SS/SG CURRICULUM

STEP I: Has this curriculum been used by another class/group? **Yes** **No**

If Yes:

- Which classes/groups?
- Have you discussed that class/groups reaction to the curriculum?
- Share the thoughts/reactions you heard in box below.

- Skip to Step 4 and complete remainder of form.

If no:

Complete entire form

STEP 2: Describe this curriculum sharing its theme, view toward scripture, understanding of discipleship, view of genders, author's faith community/experience, etc.

STEP 3: How will you facilitate this journey? Teacher/facilitator selection, length of journey, amount of time to prepare to teach/facilitate, amount of time participants will need to spend in preparation, etc.

STEP 4: What does your specific group hope to experience with this curriculum during this journey? Why did you choose this study? What do you hope this focus will do for the people in your group? for the wider community? (be specific about outcome—types of transformation, areas of deeper discipleship which will emerge, etc.)

Step 5: How does your specific group hope to better live into the vision/mission of OG through this curriculum during this journey? How does this curriculum support OG's vision and mission?
